

Virtual dining

Your Restaurant online for only £100 per month!!

Online newspapers offer a unique opportunity for customers to promote their business. Whilst being associated with our quality and trustworthy local titles, our sites give you the chance to promote your business through banners, Skyscrapers, sponsorship, enhanced listings and business profiles, along with dedicated pages for businesses. We are able to put you in touch with a local and committed audience. Online advertising is one of the most cost-effective ways to achieve dynamic, high-impact promotion of your company. Your online advert will act as a 'hyperlink' button, that can link to your own web site. You are able to restrict your promotion to websites covering the geographic footprint of your business,

The Times and Independent Newspapers website is visited by **57,542** independent viewers per month with **404,000** pages viewed per month

www.enfieldindependent.co.uk

The Virtual Dining Website will be available through the times-series website for our digital audience 24/7. For more information call on the contact details below:
